

Castlethorpe, Milton Keynes

Proludic deliver multiple sites

Client: Castlethorpe Parish Council

Address: The Chequers, Bullington End Road & Thrupp Close, Castlethorpe, Milton Keynes, MK19 7ER

Budget: £33,000

Age Range: Junior, Toddler, Teenagers, Adults

Project Story

Proludic were the successful chosen play provider to install all three projects for Castlethorpe Parish Council. With Proludic being an industry leader in both Sports and Play equipment, this allowed Castlethorpe Parish Council to deal with one provider to deliver all of their requirements. By using one provider this allowed the Parish to save on preliminary costs and have one organisation to deal with for the lifetime of the gym and play items. A site opening was held for the play and gym equipment with goodies and give aways. The community are very happy with their new facilities in the village.

After

Before

“ Castlethorpe Parish Council procured outdoor gym and playground equipment from Proludic. The parish council decided that Proludic had the best offering and provided overall the best value for money. The equipment is excellent and users are very happy with it. We would definitely recommend Proludic to other organisations. ”

Steve Bradbury - Clerk, Castlethorpe Parish Council

Being active is important for adults and children alike. Whether it be through play or exercising, an active lifestyle has both mental and physical benefits such as decreasing disease, obesity, depression and stress. Activity also improves many things such as mood, sleep quality and concentration. Providing accessible play and sports facilities are vital for supporting the community in improving their well-being.
