Project Story

Funded by Farington Parish Council and the Farington Community Fund, the gym comprises of six machines designed to get people active. Councillors were put through their paces as they opened a new outdoor gym in Farington Park.

Councillor Graham Walton, Vice-Chair of Farington Parish Council, said: "It's great to see this new outdoor gym in Farington Park. Councillor Smith and I were put through our paces trying the different equipment, and we hope that many residents will do the same. We urge everyone to come and have a go ... So much can be achieved when we work together for common goals and I thank everyone – Farington Parish Council, South Ribble Borough Council, and the South Ribble Partnership – for all their collaborative efforts."

Councillor Paul Wharton, Central My Neighbourhood Area Chair, said: "This is a fantastic project that will allow all members of the community to make full use of our fantastic park. I am delighted that this has now been completed in partnership between Farington Parish Council and South Ribble Borough Council."

"I would happily recommend Proludic to anyone in the future, they could not have done anything more in helping us achieve our goals for this project. Mark was always on hand to help with any information and Proludic as a company have been exemplary."

- Mike Otter, Farington Parish Council
