

Witney Play Areas

Enhancing existing play areas

Client: Witney Town Council

Address: The Leys, OX28 4BX; Moorland Road, OX28 6LF; Fieldmere Close, OX28 5DA
King George V Playing field, Station Lane, OX28 4BX

Budget: £50,000

Age Range: Toddlers, Juniors

Project Story

Witney Town Council required new play equipment adding to four of their play areas across the town. They needed to be low maintenance, aesthetically pleasing whilst offering new and exciting play values to each area. The chosen items varied from a bespoke Tiboo Multiplay Unit for Toddlers at The Leys which is their most popular play area, to a challenging IXO multiplay unit for juniors at King George. The client chose to work with Proludic based on the companies reputation for high customer service and quick turnaround on spare parts.

After

Before

Given that the Covid 19 Lock Down came into effect during installation of the equipment, the whole project was delivered really well given the difficult circumstances.

The Importance of Play

Play for Learning Playing is a fundamental requirement for a child's development, helping them evolve, both in terms of motor skills and at sensory, cognitive, creative and social levels. By playing children actively participate in their own development and growth. Play is, therefore, both the inherent mode of expression for children and is an important learning tool.
